[US] Step parents sharing a bed with step kids : r/Custody - Reddit

Please share your thoughts on a step parent sharing a bed with a stepchild. Is the answer different when gender of any of the parties is modified in your thoughts? Step dad and step son vs step dad and step daughter....ok, but now it's a step mom... EDIT - this scenario is just step parent and child. Bio parent is not in the bed.

Co-sleeping in same bed as step parent... : r/coparenting - Reddit

My kids often lay on the bed with me and their stepdad for movie nights which I think is fine but they never sleep in the bed with us. When my kid wants me to sleep beside her I sleep in her bed with her. That said if my kids wanted to nap in bed with their dad and stepmom I wouldn't care at all.

my step mom shat her bed and now demands my mattress

im sorry for any grammatical errors since english isnt my first language and i typed this on my phone TL:DR; Step mother shit her bed and now wants my mattress until hers comes back from deepcleaing

Feeling alone: co-sleeping (long) : r/Stepmom - Reddit

I'm sorry. 5 and 6 is absolutely old enough to sleep alone and through the night. I'm extra sorry that your SO seems to think it's perfectly fine to sacrifice your sleep and the intimacy in your relationship because he doesn't want to think of a solution for this problem. You're totally valid in feeling this way!

Do you share bed with your parent/s when traveling? - Reddit

Do you share bed with your parent/s when traveling? I'm (32M) asking this because I feel like this is an American thing, and I didn't grow up in here - that sharing a bed with mom/dad under certain circumstances is weird.

My (15M) stepmom grounded me because I slept in the same bed ... - Reddit

My stepmom wouldn't listen to anything I say. She told my dad about this and my dad said that he didn't see what was wrong with us sleeping in the same bed for one night and they got into a huge fight. At the end of the day I'm still grounded and my stepmom's ignoring me so yeah she's still mad. Idk what to do now.

Husband is forcing me to let stepson sleep in our bed

To step son: "As you are approaching puberty and changing from a boy to a man, it's no longer appropriate for an adult, especially an adult woman not biologically related to you, to be sharing a bed with you while you sleep.

I slept with my stepmom. Years later, I still couldn't get ... - Reddit

And I believed her. My dad loved my stepmom too much to take my side. Fast forward several years. I'm still in college and can't get over my attraction. I always tried to date women who looked similar. But I remained unsatisfied because the similarities were superficial at best. I lost all hope of finding someone who really looked like my stepmom.

My stepson sleeps in my bedroom : r/stepparents - Reddit

Hello I need advice.. my stepson came into my life when he was 3 years old. At this age when he would come to stay every other weekend he would crawl into bed with my husband and I would sleep on the couch..this was fine since I knew it was for comfort and bonding with his dad..after a while we bought him a roll away bed and placed it in our bedroom by my husband's side of the bed. This worked ...
