Red & Black Tyranids | The Tyranid Hive - ProBoards

Hi everyone, Happy New Year, my real names Byron.T this is my first post and this is our current project. Tyranid Army in a Black & Red Colour Scheme, I'll try and post a complete army list soon en

Finally, a Tyranid video game. | The Tyranid Hive

So Space Hulk - Deathwing looks cool. The concept is exactly my kind of game: coop, exploratory and difficult. So long as it meets the expectations it's set, it should be good. Release Novemebe

Tyranid Nomenclature | The Tyranid Hive - ProBoards

I couldn't find an existing thread for this topic and at least one person expressed an interest so I've created a thread specifically. This was originally written for a FB

What do you think the Tyranids are building? | The Tyranid Hive

gman25639 Hive Tyrant "Blessed the Lord my rock, who trains my fists for battle, my fingers for war." Psalm 144:1 Posts: 1,457 What do you think the Tyranids are building? Naming your hive fleet. | The Tyranid Hive - ProBoards

What did you name your hive fleet, and how did you go about it? I'm not sure where to start with naming my army. Any tips on where to look? Are there general rules fluff wise when naming or can

Official Colour Schemes | The Tyranid Hive - ProBoards

"Simple" colour card for describing bodily fluids could improve patient outcomes

Anti tank? | The Tyranid Hive - ProBoards

I had a game last night where some 10 ork flashgits shot off 6 hiveguards in cover with - 1 to hit turn one. I was not left with much anti tank. On topp of that itvturned out his sparkly custom
