Snow Tracks - U.S. Fish & Wildlife Service

Who goes there? Winter is a great time to find out. The snow tells secrets about the natural world. In woods and plains and less trafficked city streets, the movements of many shy creatures can be revealed in a fresh cover of snow. Even if an animal stays out of sight, you can find clear signs of its presence through its snow tracks and imprints. Snow prints may reveal clues to an animal's ...
