## [MINIMOD] Abdication - Paradox Interactive Forums

This minimod allows your ruler to abdicate to his or her primary heir if they are of the same dynasty as you, if your crown law is not elective. There aren't any restrictions on when a ruler can choose to abdicate, so some self-restraint may be...

## Abdicating Ruler -Need explanation of one requirement

To fulfill the condition of making Political Movement insurrectionary, one needs a revolt, that is easy. But the second part "-The Ruler or their Interest Group must disapprove of the Law enactment goals of the Movement" confuses me. So I researched Empiricism since that opens up for enacting State Atheism which is opposed to traditionalism. Traditionalism was the trait of both the Ruler and ...

## Any good ways to abdicate? | Paradox Interactive Forums

I'm playing a game and my succession law is feudal elective. Naturally, my idiot vassals decided to vote for the kinslayer, who they all now hate. Any good ways to abdicate? I don't have reaper's due which from what I understand gives you suicide...

## HoI 4 - Edward VIII Abdication Crisis Fires Twice

Yes Description The Edward VIII Abdication Crisis fired again at 1945.6 after Imperial Federation was formed. I run the game in Ironman mode and able to get achievement. I tried to use a save file days before the crisis without any mods, but the crisis still fires Steps to Reproduce Support Edward until royal marriage event during abdication ...

## PU inheritance and abdicate | Paradox Interactive Forums

I haven't come to the point where I've got a PU with 1.19, but what would happen if you have a junior PU subject while the "upon monarch death" line says the PU liege would inherit the PU subject, and you press the abdicate option on your ruler...

## Where is abdication in the game? - Paradox Interactive Forums

I checked wiki and in-game encyclopedia, nothing.. I see in game that abdication is fairly common in a history of a title. But I don't have any idea when or how it happens. Any idea what could be reasons for abdication? Is it some sort of an...

## Abdicate mechanic - Paradox Interactive Forums

The stronger the abdication values, the more chances to make a successful abdication. When the

abdication button is selected, the game will evaluate the factors and if it is successful (dice roll), the king will abdicate and the primary heir will succeed the king. The abdicated king will have two possible outcomes: voluntary or forced abdication.

## **Abdicate the Throne - Paradox Interactive Forums**

Abdication was, from what I remember from history class, generally a thinly-veiled way to legitimate usurping the throne, like king Edward II of England or Magnus IV of Sweden (both from Wikipedia).

## **Russia abdication not showing and enacting law change**

Integrity I have verified my game files (on Steam) Yes I have disabled all mods Yes Required Summary Russia abdication not showing and enacting law change Description I want to abdicate Nikolai since Alexandr is nice (market liberal I like...)

## **How can change laws in Russia? | Paradox Interactive Forums**

Using his character interaction, arrange a royal wedding. For the events that come up for the abdication and wedding, choose any options that give Alexander popularity. Make Alexander a general. 4. Reform the government again. Kick the Landed Gentry out of government. Exile the current IG leader. Tsar Alexander should now become the IG leader.
