## Appendix B: ALARS Codes

The following is a list of all federally recognized restriction codes and a description of each code. The same codes are used for commercial and noncommercial licenses. A CMV Instrastate Medical B Corrective Lenses C Mechanical Aid D Prosthetic Aid E Automatic Transmission F Outside Mirror G Limit to Daylight Only H Limit to Restricted Hours I Limit - Junior Operator J Restriction card must be ...

## New Dispatcher, Questions about CJIS - Massachusetts Cop Forum

OK I am a new dispatcher still in training, I have some questions about CJIS related stuff. What is your standard procedure for running a MV plate for...

## Leaps Codes - Massachusetts Cop Forum

R8 - Registration scroll by name Q1 - Stolen vehicle or wanted/missing person Q2 - Combination of the Q1 and Q3 inquiry Q2 ONE - Combination of the Q1 and Q3 inquiry, by license plate with a warrant check, license status and BOP summary. Q3 - Massachusetts registry inquiry Also, if you have access to CJIS Web RMV they have printouts of much more.

## Anyone know this RMV code? - Massachusetts Cop Forum

Johnny they're in the CJIS Extranet news file. PITA if anyone asked MY opinion - and they'd get it too! Click to expand... Thanks mtc! I'll check it out, I haven't worked the desk in awhile so I'm more than a little behind on the new stuff. Any and all posts made by me are my opinion (s) only.

## OpenFox MessengerIMC help needed Run partial plates? MERGED

Cjis Web works occasionally if your lucky enough to get by the five certificate errors before you get a TIMED OUT message. Open fox is printing information sideways on our printers, yes sideways! And oh by the way if your trying to run out of state ANYTHING you might as well enter yourself as a Q5 before the process to save yourself sometime.

## Recent Mass Appeals Court decision - unauthorized access...

FYI - The Massachusetts Appeals court ruled in Commonwealth v. Piersall (issued August 30, 2006) that a violation of Chapter 266, section 120F (the crime of unauthorized access to a computer system) can occur each time there is an unauthorized login. It also holds, however, that the accessing...

## **IMC Mobile PC's - Massachusetts Cop Forum**

I didn't want to get off subject in silversnap's thread so I created this one. My department recently installed lap tops in the cruisers with the IMC software. My question is how can an officer in the field tag thier query? At the base CJIS computer when an officer requests a query you can...

## **CT Combination Plates | Page 2 | Massachusetts Cop Forum**

Re: CT Combination Plates According to CJIS CM Should be for combination. I have never been able to get a return on any combination on CT tags unless using the VIN. I just open the "blue book", and call the first CT agency I spot, or the agency of the community where the licensed operator is from...

## **Running a handicap placard?? | Massachusetts Cop Forum**

Do any of you folks know how to run a Ma, handicap placard in NCIC/CJIS to see if its valid and belongs to that car and person? Thanks for any help -Rod

## **Q2, ncic, & leaps information - Massachusetts Cop Forum**

Granted I've been out of MA for almost three years now, but on CJIS when I left MA, there was a field, I believe it was "REM" for Remarks, down toward the bottom of the screen.
