Thanks for your feedback, it helps us improve the site.

Unable to 'paste' - Microsoft Community

Unable to 'paste' Have this problem for last five days. Have Windows Vista installed. While 'copy' and 'cut' functions appear Ok..when it comes to 'paste', the command icon is greyed out. Been happening on all programs (not restricted to MS Office etc).

Error: "Second life is unable to run because your video card drivers ...

Error: "Second life is unable to run because your video card drivers did not install properly" For a game called second life (a version of it called greenlife emerald viewer) it says my video card isn't good enough to play, but when i used it on my old vista (im using windows 7 right now) it works fine.

Unable to boot to Windows 8.1 - Error code:0x0000225

Normally, if you are unable to boot the Windows 8.1 to its Start Screen, the Automatic Repair will check for the errors which is preventing Windows from booting up and will fix it.

Unable to sign in and automatically signed in to a temporary

account ...

Hi William, this is happening much too often at the moment, you are logged into a temporary account . . . Before you do anything or move any files around Restart (not shut down) your PC 4 times, each time let your PC get to the Desktop before the next restart, this will fix this issue a lot of the time . . . Otherwise: Please open Windows File Explorer Navigate to C:\Users Do you see two user ...

Unable to delete/move files - Microsoft Community

Unable to delete/move files For a few months (cant remember when it actually started happening)
My computer will not allow me to delete files such as pictures & music, it will also not allow me to move these type of files to another location by clicking and dragging.
