Utilitarianism | Definition, Philosophy, Examples, Ethics, Philosophers ...

Utilitarianism, in normative ethics, a tradition stemming from the late 18th- and 19th-century English philosophers and economists Jeremy Bentham and John Stuart Mill according to which an action is right if it tends to promote happiness and wrong if it tends to produce the reverse of happiness.

Utilitarianism - Wikipedia

In ethical philosophy, utilitarianism is a family of normative ethical theories that prescribe actions that maximize happiness and well-being for the affected individuals. [1][2] In other words, utilitarian ideas encourage actions that lead to the greatest good for the greatest number.

Understanding Utilitarianism: A Guide - Philosophos

Utilitarianism is a type of philosophy and ethical theory that focuses on maximizing overall benefit and minimizing harm. This philosophy was first developed in the 18th century by British philosopher Jeremy Bentham and is still widely discussed today.

Utilitarianism Explained: Key Principles, History, Applications, and ...

Utilitarianism is a philosophical theory of ethics that centers on maximizing happiness and minimizing suffering. At its core, it evaluates actions based on their consequences, aiming to promote the greatest good for the greatest number of people.

The History of Utilitarianism - Stanford Encyclopedia of Philosophy

Though the first systematic account of utilitarianism was developed by Jeremy Bentham (1748-1832), the core insight motivating the theory occurred much earlier. That insight is that morally appropriate behavior will not harm others, but instead increase happiness or 'utility'.

Act and Rule Utilitarianism - Internet Encyclopedia of Philosophy

Utilitarianism is a philosophical view or theory about how we should evaluate a wide range of things that involve choices that people face. Among the things that can be evaluated are actions, laws, policies, character traits, and moral codes.

Utilitarianism: What It Is, Founders, and Main Principles

Utilitarianism is a theory of morality that supports actions that foster happiness or pleasure. It opposes actions that cause unhappiness or harm. A utilitarian philosophy would aim for the...

What is Utilitarianism? | Utilitarianism.net

Utilitarians want all lives to go as well as possible, counting everyone's well-being equally. On this view, what matters most is bringing about the best overall consequences by improving the lives of sentient beings—regardless of their gender, race, nationality, or even species.

Utilitarianism

Utilitarianism is an effort to provide an answer to the practical question "What ought a man to do?" Its answer is that he ought to act so as to produce the best consequences possible.

Utilitarianism - World History Encyclopedia

Utilitarianism is a philosophy founded by Jeremy Bentham (1748 to 1832) and then extended by other thinkers, notably John Stuart Mill (1806 to 1873).
