Logmein123 Remote support Question - HP Support Community - 6145581

Does HP use Logmein123 for remote support for their products or is this a scam that they are trying to get me to give them access to my computer? I am trying to solve some connecting problems between my printer and my computer home network and when I phoned this number [edit] for support the pers...

does HP Instant Ink Support use logmein rescue?

At 4:15pm on Tuesday Oct 22nd, I was seeking help because my instant ink account was not connected to the internet. A person identifying himself as Sean Patrick used Logmein rescue (& gave me a code #446261712 in case they asked - they didn't) to reconnect my instant ink to the web under the "Advanced" tab on the HP Smart app. As he was asking me to print test pages, he somehow opened my ...

Help determining if HP support agent was legitimate or scam!

Hello, I need help ASAP verifying whether the HP support agent that remoted into my desktop on 10/3/23 around 5:17pm EST was a legitimate HP Support Agent or was a scammer.[Personal Information Removed] I got suspicious when he started looking at gift cards while remoted in on my laptop using secu...

Solved: How can an end user who passes the full remote access of his laptop to a Hp technician be sure that during the session his laptop was totally - 6463422

Printer set up scam - HP Support Community - 6764678

HP 7855. Very similar situation including the chat, call from an "expert", Remote controll of my computer and finding corrupted drivers on my computer that needed to be replaced. I was too late in suspecting a scam and wound up paying \$390 to Globtier Inc. They now have my phone number, email address and possibly credit card info. Don't think they can take remote control of my computer unless ...
