During Iranian Hostage Crisis, were shredded documents reassembled by ...

4 The movie Argo (2012) is a historical thriller detailing a CIA rescue mission during the Iran Hostage Crisis. The movie depicts Iranian intelligence attempting to re-assemble shredded documents from the American embassy. The movie states that the documents were re-assembled by "sweat shop children".

Why didn't the European Christians take back Constantinople?

Why do you think there were no efforts to take back the Balkans? And why do you think colonization of America does anything to do with fighting the Ottoman Empire? Also, what time/age are we talking about?

What was President Jimmy Carter's role in the Iranian Revolution?

The end of his presidential tenure was marked by the 1979– 1981 Iran hostage crisis. Iran was a strong ally, until Jimmy Carter, offended by the policies of the Shah of Iran, engineered the installation of the super-radical Muslim Ayatolla Khomeini.

In WW2, what was the barrel-change rate of the Bofors 40-mm?

The quote from page 17 actually says Barrel life before the barrel had to be replaced due to excessive wear (rather than changing for cooling between periods of firing) was between 9,500 and 10,000 rounds. I think you should have quoted it directly because that parenthetical info is very, very important. The barrel change rate due to overheating is exactly what I'm looking for.

Why did the Middle Kingdom stop building pyramid tombs?

Building a pyramid could take a decade or more, some estimates say the great pyramid probably took over 20 years to complete. digging a hole in a soft rock face was much faster, and if you just widen and smooth out natural cavities in the rock, so much the better.

Who erected Luis Argüello's tombstone? - History Stack Exchange

Can we confirm this photographically? We do to have evidence indicating the existence of large stone monuments in this cemetery in the mid 1850s. This image from the Wikipedia page for the mission, is supposed to be from 1856: Though the angle of the image does not appear to show far enough back to include the Arguello tomb, it does show a large obelisk-type monument in the front area of the ...

Why did JFK give approval for the CIA to encourage Diem's deposal?

In 1963, weeks before his own assassination, President Kennedy gave approval for the CIA to encourage a group of South Vietnamese generals to depose President Ngo Dinh Diem of South Vietnam. The ge...

What are Kublai Khan's contributions to culture?

It may determine on how you define "world culture" but I also think that is not going to really be answerable, especially when looking at things from his time. He may have contributed but "significant" and "world culture" are going to be subjective.

How did Irish defeat Norse at Battle of Tara in 980 CE.?

At the Battle of Tara in 980 C.E. the Norse were (apparently) heavily defeated by the Irish. There is not much material or sources on this battle. Does anyone have ideas on how the Irish were able...
