## Piston rings - Honda Prelude Forum

I looked on JE's website and the want \$97.29 for their piston rings that include a chrome top ring, cast iron second ring, and chrome coated carbon steel oil ring. A Nippon piston rings (NPR) set include a chrome top ring, cast iron second ring, and nefflix-s coated oil ring for \$28.45. Do...

## cylinder head torque - Honda Prelude Forum

I put my ported/polished head on with valve job (seat and valve), new valve seals and outer valve springs, resurfaced head, new headgasket. I used all OEM Honda parts. The manual says the cylinder head bolts should be 49 FT-lbs, I did not like torquing each bolt to the final torque in one single...
