What is it like working at Wendy's? : r/wendys - Reddit

How does the Mobile Ordering with drive thru pickup work?

I downloaded the app and was wondering how it all worked. After you put in an order do you just drive up to the drive thru and let them know, or is there something you are supposed to do on the app? And is there a time-frame thing for the order? Wendys is pretty close to my house, which makes it about 20 mins from my work. Does it matter if I order before I leave?
