read theory review : r/ReadTheory - Reddit

true Read Theory is a website that makes you read boring articles that you'd never ever ever ever ever need to know anything remotely related about and makes you answer the most illogical questions that you'd never ever ever ever need to find out, which is just usually pure useless knowledge. The questions are worded in such a way that you'd need to look over them multiple times to even grasp ...

Fuck ReadTheory : r/ReadTheory - Reddit

readtheory makes youread boring stuff then makes you awnser dumb questions and gives like 1 knowledge point like its being a fucking idiot

ReadTheory and iXL : r/Teachers - Reddit

ReadTheory and iXL I work at an after school program and we just started using ixl and ReadTheory this year. We're planning to use a rewards system to encourage the students to do better. I'm having difficulty in deciding what benchmarks/point totals to hand out rewards (Amazon gift cards).

How effective is ReadTheroy as a foundational practice for GRE ... - Reddit

I have been doing few passages form https://readtheory.org it's been helpful so far for me as i have been struggling on the RC Passages. I have done most of the passages for the Big Book too and i realized i lack basic foundation so just thought about giving ReadTheory a try.

iXL and ReadTheory points systems : r/Teachers - Reddit

I work at an after school program and we started using ixl and ReadTheory last year. We planned to use a rewards system to encourage the students to do better. I had difficulty in deciding what benchmarks/point totals to hand out rewards (Amazon gift cards). Most of my headache came from all the different ways the websites calculate the scores. Skill progression, scores, trouble spots, each ...

Are there free alternatives to ReadTheory? : r/ReadTheory - Reddit

ReadWorks is free and provides quizzes after reading passages. But it does not force students to read passages to determine grade levels. So it is not a good alternative. Epic! reading is more like ReadWorks and is also free for teachers. RazKids is a paid alternative to ReadTheory. Sorry I cant recommend something that actually answers the question.

How to start : r/GED - Reddit

Readtheory is a good website to practise your reading comprehension. https://readtheory.org/ RLA also requires you to write an extended response. I practise by reading samples.
