## Effect in or effect on - WordReference Forums

One question about the use of the preposition with the word effect. To say: "Se estudió el efecto de la temperatura en la actividad" The temperature effect on/ in the activity was studied. I have been checking several scientific paper and sometimes they use in and others on. I don't know...

## Does it effect me? vs. Does it affect me? - WordReference Forums

Your sentences are incorrect. You can say: Does it affect me? Does it have an effect on me? Your question is too wide. I think you have to decide whether you want to talk about the two nouns or the two verbs. Instead of us inventing examples, it would be easier for you to find real-life examples and then ask us questions about them. Otherwise we are simply writing an essay for you to read. You ...
