First i want to say that this is meant more as an initial guide for those of you who are on the edge about whether or not you want to use E85 for the first...

## **Trash or be Trashed - Yellow Bullet Forums**

The new political section! What the fuck people, lets talk about bad (or naked) neighbors! Lets see more titty pictures! God forbid we talk about actual cars and racing! Let's see more pictures YOU took! Let's see more pictures of trains, planes and automobiles! How about a new thread on our...

## **Nitrous Converter - Yellow Bullet Forums**

How does a converter for nitrous use differ from a regular 8 inch 5500 converter for racing? What is different to keep nitrous power from blowing through the converter? They tell me that is what's happening to my car combo.
