Zima (drink) - Wikipedia

Zima was launched in Japan in 1996 where it proved more popular than in its home market. In contrast to its U.S. reputation as a drink for young women, Zima was consumed in Japan by both genders from most age groups, often as an accompaniment to meals.

What Happened To Zima, The '90s Drink That Was Popular Until People ...

Instead of rebranding or recreating an old product in a new flavor, Coors created Zima from scratch. Through a method of its own invention, the company used a low-grade lager as a base and filtered it through charcoal. The process removed the lager's color to create a clear end product.

The Clear Downfall of Zima: Why it was Discontinued

In 1993, Coors Brewing Company launched Zima, a clear alcoholic beverage to join the transparent market trend alongside Crystal Pepsi and Tab Clear. While traditional beer showed its brewing process through amber and brown hues, Zima's crystal-clear appearance suggested laboratory precision.

Zima Still Exists And We Found Out Exactly Where To Find It

Sadly, Zima never gained popularity like Four-Loko or Joose, but after some research, I discovered the plight of this once-forgotten adult malt beverage is still not over.

What Is Zima? Here's Everything You Need to Know | Sporked

Zima was a malted beverage that was marketed as an alternative to beer. It was generally citrus flavored and was about as boozy as a standard beer, with an ABV of less than 5%.

Zima Store Online

Zima is a leading provider of DIY personal cloud storage solutions and high-performance hardware, offering products like ZimaCube, ZimaBlade, and ZimaBoard for tech enthusiasts, developers, and creatives.

Why People Stopped Drinking Zima - Mashed

Zima is an alcoholic drink released by the Coors brewing company during the 1990s. However,

mixed marketing and unpopularity led to its discontinuation.

Homemade Zima Cocktail Recipe - Liquor.com

Whether you're craving '90s nostalgia or just a thirst-quenching drink, you can make a much more delicious version of Zima at home, thanks to this recipe from Nick Jones, the former bar manager of the now-shuttered Pabu Izakaya in Baltimore and now the market manager of Sagamore Spirit.

Do They Still Make Zima? - stillsold.com

Zima is a brand of clear, citrus-flavored malt beverage that is known for its unique and refreshing taste and its clear appearance. It's made with a blend of natural flavors, carbonated water, and alcohol.

What is Zima - A Spectacled Owl

Zima is a clear, carbonated alcoholic beverage that falls under the category of flavored malt beverages (FMBs). Zima has gained recognition as a refreshing alternative to beer, appealing to those who desired a lighter and fruitier option.
