Strava upload issues - Wahoo Forum

Since the request to authenticate to Strava again for auto uploads I have been having the following issues: Ride doesn't upload as "virtual ride" anymore and you can't change it. No image uploaded (missing out on free advertising). No wahoo details as a prefix (missing out on free advertising). Are ...

More zone two than the System training plans - Wahoo X Forum

There seems to be a resurgence of the benefits of Zone 2 training on line recently and whilst that theory has never gone away completely, more and more the benefits of such an approach is coming to the forefront. Apparently the main reason that the training plans in Systm generally concentrate on high intensity is for time crunched cyclists but even that nowadays seems not a reason to exclude ...
